Dear Members of the AAEH,

I write to you on behalf of the board of the Montauk Artists Association. We are very busy with the upcoming Shows on the Green in June and August. We have 60 exhibitors in the June show, and the August show is sold out at 74 exhibitors.

I hope you will stop by to visit these shows on the green and enjoy the variety of artists from far and wide that come to participate. If any member of the AAEH is interested in having a space at the June show---it's not too late. Contact me at dacorvi@verizon.net ASAP.

I believe there is strength in numbers, and I would like to invite members of the AAEH to think about becoming a member of the Montauk Artists' Association.

Why be a member of two arts organizations?

It is a great way to meet more artists, participate in member shows, and also help support this organization that is crucial to the arts in Montauk.

Membership starts at \$35, and entitles you to:

- participate (for free) in the Shows on the Green MAA Members tent
- have a show at the Depot Gallery (solo or shared show—there is a fee for this)
- helps support the maintenance of the Gallery space
- opportunity to join one of several committees, such as Shows on the Green Committee, Gallery Committee, Communications/Advertising/Social Media Committee and more

The Depot Gallery has been undergoing much needed sprucing up, and has recently been painted, lighting upgrades, new flooring, and a revamping of the display space. We are ready for a new season and for new artists to take advantage of our beautiful space. We are happy to talk not just with artists interested in a show, but also other arts organizations interested in renting gallery space as well.

I hope you will consider joining us!
